

Be a Delegate for a Day!

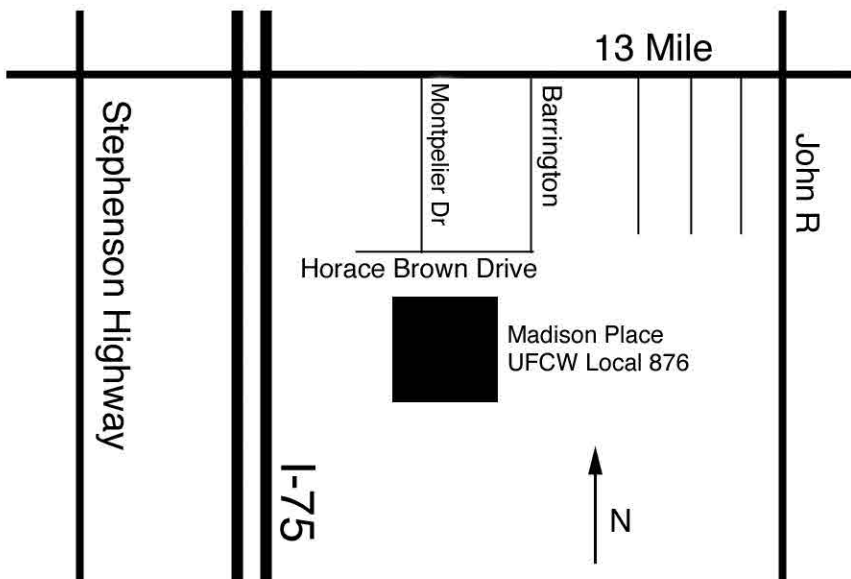

Sunday, April 9, 2017
11 a.m. to 3 p.m.

Area 33's Pre-Conference Assembly (Mock Conference) is an opportunity to learn about and serve our fellowship. Items discussed will be chosen by our Delegate from the 2017 General Service Conference Agenda, so that he may better represent us.

He will have a better understanding of where we stand on the issues. Everyone is welcome to express opinions in the Conference format that has been used for over 65 years.

Your voice will be heard!

Register at the door the day of the event OR you can pre-register and receive agenda items early by sending an email to fredcrandal@gmail.com with *Conference* in the subject field.

*Free lunch,
coffee & donuts!*
