and Alcoholics Anonymous. Come learn where it all came from,
ask questions and see where it started, right out of the Book!

Also join us as we start our Cover To Cover journey of the Big Book
August 2nd !

*This Study was created to enable one to better understand the information
the authors of the book, **Alcoholics Anonymous**, intended to impart to each of us based on
their experience with and knowledge of alcoholism and their Program of Recovery.
It examines the content of virtually every sentence in the basic text!*

(this is ALWAYS an “Open Meeting”, all are welcome!)
