

A few details and guidelines on...

Area 33 Corrections Committee's method of providing literature to inmates across Southeast Michigan!

How the Jail Pail works

- ❖ A pail is requested by a group member through the Corrections Committee (area33correctionschair@aa-semi.org), or at the Area Assembly.
- ❖ Once the pail is registered with a home group through the Corrections Committee (and approved through the Group Conscience!), it can be set out at the meeting. Usually, a small announcement is made during that portion of the meeting for the first few weeks, acknowledging that there is a Jail Pail, and it's purpose- *to help send AA approved literature to those incarcerated.*
- ❖ AA members simply donate loose change or small bills into the can at the meetings.

How to get money back to Corrections Committee

- ❖ Mail a check or money order to address provided on Pail. (PO Box 670, Royal Oak, MI, 48068) ***Usually Monthly***
- ❖ Bring money to Area Assembly and give to Corrections representative.
