

Sharing The Vision!

The Archives Office is compiling a list of "Long Timers" (35+ Years of Sobriety).

We have had several requests come through our office recently for Special Events, Panels, Open Talks and Lead Meetings!

This current history of AA has experienced many happy and useful life's that have developed through the Program of AA. It is important to continue that legacy and "Pass it On" to all those that want it so that we may continue to see/hear/experience this New Design for Living.

Please fill out the information below and email it back to the Archives Office and we will place you on our list for future events, panels, open talks!

Thank you!
