

MACOMB COUNTY JAIL

VOLUNTEERS NEEDED

Macomb County Jail administration is very generous in allowing many AA meetings into the facility. Meetings are held for men and women and at varying levels of security. Volunteers are essential to helping these folks find hope and the AA message. It is a great way to give back what we have so freely been given.

Volunteers: please complete the attached application and follow the directions for submitting it to the jail.

*****2 Years Sobriety required*****

Note: Clinton Counseling administers the meetings and they will gather applications, provide an orientation then contact you when your application is approved.

When anyone,
anywhere
reaches out for
help. I want the
hand of AA to
always to be there.
And for that:
I am responsible.
