

Be a Delegate for a Day!

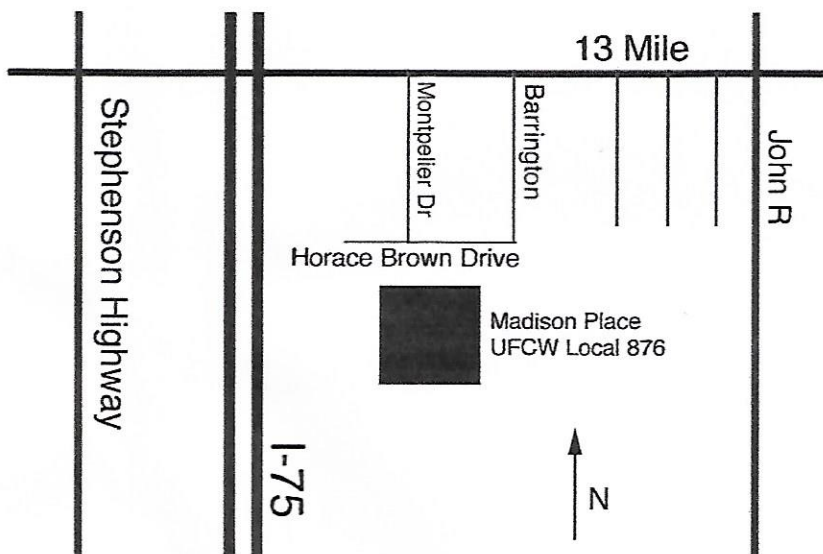

Sunday, March 11, 2018

10 a.m. to 4 p.m.

Area 33's Pre-Conference Assembly (Mock Conference) is an opportunity to learn about and to serve our fellowship. Agenda items to be discussed in Committee will be chosen by our Delegate from the 2018 General Service Conference Agenda so that he may better represent us at the Conference in April. Everyone is welcome to participate and express opinions in the Conference format that has been used for over 67 years.

Your voice will be heard!

Register at the door the day of the event (come early) OR you can pre-register and receive agenda items early by sending an email to cynthia.bars1@gmail.com with *Conference* in the subject field.

*Free lunch,
coffee & donuts!*
