

UPDATE: 2019 March Round Up & Michigan State Convention

Greetings!

As most of you have heard, the Edward Hotel & Convention Center closed suddenly last Friday. The closing has impacted two of our major events in 2019: March Round Up and the Michigan State Convention.

The purpose of this email is to communicate to the fellowship the two events will be held this year on the original dates planned. Please know the committees for these two events are working hard to finalize a new location and we should have something soon to share with the membership - We hope you will continue to support these two important events. Please stay tuned!

Happy Holidays to you and yours -

Love in Service,

Cynthia Bars
Delegate Elect
Area 33, Panel 69
