THE BROAD HIGHWAY

A Monthly Update from the GSRs of District 16

Happy New Year from the General Service Representatives (GSRs) of District 16.

A new year, and a new beginning birthed from an end. And what a perfect time, during this winter, to ponder and reflect upon where we came from and who we would like to become.

District 16 of Area 33 of A.A. continues to move forward as the GSRs of this District, with great effort, provide ways to support the District's groups. An Archives Bus Tour, voted in favor of, presents a tremendous opportunity for all those interested in the A.A. history of this area. The date is not quite set, but expect to hear more information in May and June of this year.

You will no doubt notice that this newsletter edition is a District 16 Directory, the most up-to-date directory of this area at the time of printing. Feel free to make copies for this year and use it wisely... a gift from those who gathered the information and those who put it to paper. Like a bird in hand, so too this directory may facilitate the feeding of a hungry, spiritual soul.

In service,
The GSRs of District 16
