While holding the DCM position through the last 3 years was trying, the resilience of this program never wavered. I am inspired by how well the District has carried on, and the infusion of new GSRs is refreshing. I am humbled and grateful for the time and experience, I look forward to our Alcathon and to watching the direction of the District from here on.
Sean A. DCM

Step 12 Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

Tradition 12 Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

Concept 12 (short form) The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government; that, like the Society it serves, it will always remain democratic in thought and action.
