Coffee & General Purpose Donations
Coffee is a significant expense at the MRU as well as other costs that are funded solely by contributions from our members like you. Even if you can’t attend, a small donation may help someone get sober! We need help from groups and individual members to defray these costs. Please help out if you can so that others can enjoy coffee or the gift of sobriety. Go to www.aa-semi.org, click on the link for MRU to donate.

Thank you in advance for your generosity and kindness!

The Backstory

Most associations like to take time out now and then to observe some phase of their development. Holding a convention is a natural thing to do. In A.A., such an event is far more than a routine cause for celebration. A convention also sets up a useful opportunity to share the A.A. experience in a broader way. It’s a common misconception that conventions are regular A.A. meetings. “There are no dues or fees for A.A. membership...” says our Seventh Tradition, therefore, some feel there should be no fees to attend an A.A. related convention. Conventions are special events, not regular A.A. meetings. A large convention, like March Roundup, requires a substantial amount of planning, preparation and expense.

March Roundup Conventions are held in hotels, and there is a charge for the use of their facilities. Cost include travel and lodging for speakers, coffee, printing and postage, to name a few.

March Roundup is self-supporting. Costs of the event are paid by registration fees. No baskets are passed. Cost is nominal compared to a weekend’s entertainment elsewhere.

Our goal is to send the current Delegate to Motor City Casino-Hotel to attend the General Service Conference and break even after that. Attendance is voluntary. As responsible A.A. members, we pay our own way.
