*12x12 p106* "THE joy of living is the theme of A.A.'s Twelfth Step, and action is its key word. Here we turn outward toward our fellow alcoholics who are still in distress. Here we experience the kind of giving that asks no rewards. **Here we begin to practice all Twelve Steps of the program in our daily lives so that we and those about us may find emotional sobriety.** When the Twelfth Step is seen in its full implication, it is really talking about the kind of love that has no price tag on it."
