The Backstory

Most associations like to take time out now and then to observe some phase of their development. Holding a convention is a natural thing to do. In A.A., such an event is far more than a routine cause for celebration. A convention also sets up a useful opportunity to share the A.A. experience in a broader way. It's a common misconception that conventions are regular A.A. meetings. "There are no dues or fees for A.A. membership..." says our Seventh Tradition, therefore, some feel there should be no fees to attend an A.A. related convention. Conventions are special events, not regular A.A. meetings. A large convention, like March Roundup, requires a substantial amount of planning, preparation and expense.

March Roundup Conventions are held in hotels, and there is a charge for the use of their facilities. Costs include travel and lodging for speakers, coffee, printing and postage, to name a few.

March Roundup is self-supporting. Costs of the event are paid by registration fees. No baskets are passed. Cost is nominal compared to a weekend's entertainment elsewhere.

Although financial restraints ought never prohibit the ability of a Delegate to participate, each area is asked to contribute toward the Delegate's expenses associated with attending the General Service Conference each year. Area 33 hosts the March Roundup to uphold this tradition of self-support with the remaining funds contributing to the functioning of Area 33 and the vital work of our committees in fulfilling our primary purpose.

COFFEE AND GENERAL PURPOSE CONTRIBUTIONS:

Coffee is a significant expense at the MRU as well as other costs that are funded solely by contributions from our members like you. Even if you can't attend, a small donation may help someone get sober! We need help from groups and individual members to defray these costs. Please help out if you can so that others can enjoy coffee or the gift of sobriety. Go to www.aa-semi.org, click on the link for MRU to donate.
