A FOCUS ON SERVICE

DISTRICT ELECTIONS COMING SOON

SPIRIT OF ROTATION LET GO TO GROW, BOX 459 (FROM 1983)

At the 1983 Northeast Regional Forum in Somerset, NJ, Alcoholics Anonymous (A.A.) members engaged in a vibrant discussion on the topic of "Rotation: Its Implications in Our Area." Presentations by Conference delegates touched on many aspects. Vermont delegate Sarah G. stressed the importance

of an informed group conscience. "The more informed people there are to carry the A.A. message, the faster and further it will be carried," she said. "Without the principle of rotation", she noted, "responsibility for carrying the message would rest in the hands of just a handful of people, thus causing the Fellowship to become alienated from our Third Legacy of Service."

Joseph R. reminded his fellow A.A. servants that "rotation is practiced not to put somebody out of a job, but to ensure that the selfish ones do not hold on, and that all have an opportunity to serve." Furthermore, he said with a wide grin, "Rotation also limits the time for those of us who serve to mess things up!"

Service is a Two Way Street

Hear from various trusted servants what service @ the District has meant to them

It was suggested to me early in my sobriety to GET BUSY.

I have had the privilege of hearing information first hand of the events taking place at the last conference, the new AA book coming out without the controversy.

I love seeing how much bigger AA is than my home group.

I love hearing each month how the AA program is being spread throughout the community. Serving is just another way to keep me from getting into myself.

The commitment keeps me accountable and what I like about the workshop is that it gives me the opportunity to work on one of our most important foundations of service our third Legacy.

Learning more about the service structure and how AA works with trusted servants but no “leader”

I love that I’ve been able to stay involved with service work and meet new people through CPC. CPC also gives me the opportunity to blend my skills from working in a professional environment with my AA life.

The thing I like best about doing service at the district level is that it keeps me engaged in a bigger purpose with absolutely no reward for myself.

Getting sober is going through the steps of Alcoholics Anonymous but staying sober is taking those learned ideas and turning them into actions and what better way to carry the message then to have the workshop position as a platform to any topic that might be helpful to our Society.

This month’s Newsletter Theme is SERVICE because elections are coming soon and there are plenty of opportunities to give back. COME SEE WHAT THE FUN IS ABOUT.
